I can't get into Lotus Notes so I can't do eRouting. Sorry. The letter could be emailed to me and I can concur by emailing back my concurrence.

I am trying to track where this is and noticed your concurrence is missing. Can you please click in the eRouting link on this link, review, concur and forward to the next person. Enforcement plans were to get this out by the end of this week.

The site attorney Marvin Benton is working with the draft order that will be attached to the letter.

Thanks.
